

Social Media Consent Form

As part of the work at **the Organization**, we engage in social media outreach to community members and beyond. This may occasionally include promotion of our team members on public platforms. **For everyone's safety, we will not tag personal accounts to our organizational content.** To ensure we respect your privacy, please review the options below to indicate your comfort level and preferences regarding social media presence. Choosing not to be featured on social media will not affect your access to services, participation, employment, immigration status, or volunteer opportunities.

Acknowledgements:
