

International Lesbian Day

Celebrating lesbian and queer femme histories!

The ArQuives: On Our Own Terms Exhibit

The exhibit explores the proliferation of **queer and trans femme politics and culture in 1990s Toronto** through archival materials and close to 50 oral history interviews with 24 queer and trans femme narrators.

This exhibit runs from **September 24 - October 18, 2026!**

Lesbian Herstory Archives

The Lesbian Herstory Archives exists to gather, preserve and provide access to records of Lesbian lives and activities. Doing this also serves to **uncover and document our herstory previously denied to us** by patriarchal historians in the interests of the culture that they served.
